

Additional Risk Disclosure

As per assessment of appropriateness policy, if the information you provided in connection with your account application falls into any of the category listed below, you do not meet requirements for a trading account.

You are not between 18 and 65 years old

You do not have at least 6 months of complex financial instruments
Investment or trading experience

Your annual income is less than the equivalent of € 15,000

You are using retirement funds for trading capital

These reasons by themselves do not preclude you from opening an account if you acknowledge the following risk disclosure statement:

Risk disclosure

Based on your personal information and/or investment experience, trading complex financial instruments may exceed your risk appetite and not be a suitable investment for you. Trading these instruments a substantial risk of loss and you could lose more than your initial investment. You must carefully consider whether this type of trading is suitable for you in light of your circumstances and/or financial resources.

Acknowledgement

I hereby acknowledge that I do not meet BlueInvest Capital's minimum guidelines to open a trading account. I have considered the financial risks involved in trading the above referenced instruments and I wish to proceed with opening an account.
